The safety, security, and well-being of SERTC students and staff members is our number one priority.

In order to help mitigate the spread of the COVID-19 virus and in following guidance by the CDC regarding social distancing, Security and Emergency Response Training Center (SERTC) is temporarily suspending all residential and remote delivery courses scheduled the weeks of March 23rd and March 30th, 2020. SERTC will work to reschedule affected training as quickly as possible and provide additional information as it becomes available. SERTC will contact affected students about re-scheduling training.

Please follow SERTC online at www.SERTC.org for additional information and updates.
