No, you do not need to put your request in writing, however, making a written request can be helpful documentation for ensuring that MxV Rail provides the desired accommodation. In addition, you do not need to use the specific words “reasonable accommodations” when making your request.

4. When should I request a reasonable accommodation?

You may request a reasonable accommodation from MxV Rail at any time. However, making the request in advance of a meeting, conference call, or visit will help ensure that MxV Rail is able to fulfill the request for an accommodation. 5. May someone request a reasonable accommodation on my behalf?

6. What will MxV Rail do upon receiving my request for a reasonable accommodation?

MxV Rail may contact you to obtain more information about your request and to better understand your needs. In addition, MxV Rail may review your request to determine:

- Whether the requested accommodation will be effective in allowing you to participate in the activity or program in which you are seeking participation;
- Whether the requested accommodation is reasonable, or an equally effective alternative to the requested accommodation is available; and
- Whether providing you with the requested accommodation would fundamentally alter the nature of MxV Rail’s program or impose undue financial or administrative burdens on MxV Rail.

In addition, in some cases, MxV Rail may consult with you in an interactive process to determine on a case-by-case basis what accommodations can be made.

If MxV Rail determines that your requested accommodation would fundamentally alter the nature of the program or impose an undue financial or administrative burden, MxV Rail may deny your request. However, in the unlikely event that this occurs, MxV Rail will work with you to identify an alternative accommodation that allows you to effectively participate in MxV Rail’s program, activity, or service.
